NOTES

1. Incidents include successful and attempted bombings, tear gas, and assassinations. As a result of adjustments, the statistics presented may vary slightly from numbers given in previously published materials.
2. Two additional deaths resulted from the attempted arrest of Sheriff's Posse Comitatus member Gordon Kahl on June 3, 1983.
3. One death resulted from the attempted arrest of Aryan Nations member Robert Mathews on December 7, 1984.
4. Two bombing incidents in 1996 involved a robbery.
5. Investigations into incidents sometimes yield evidence that necessitates a change in the information previously held true (such as whether the incident fits the definition of terrorism, which group or state sponsor is responsible, or the number of victims killed or injured). As a result of these adjustments, the statistics presented here may vary slightly from numbers given in previously published materials. Casualties of actual incidents include both victims and terrorists. Incidents by victim numbers are higher than the total number of incidents because of the capability of recording multiple victims attacked. Incidents by event figures may exceed annual incident totals due to overlapping. Incident by facility numbers are higher than the total number of incidents because of the capability of recording multiple installations attacked.
6. The 1987 figure includes one attack that occurred in international waters.
7. The Western region includes the states of Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington, and Wyoming. The North Central region includes the states of Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota, and Wisconsin. The Southern region includes the states of Alabama, Arkansas, Delaware, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas Virginia, and West Virginia. The North Eastern region includes the states of Connecticut, Maine, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Vermont, and Washington DC.
